

## The Grade 9 Program

### Quick Notes for Course Requests

First of all . . .

- Here are the required courses for Grade 9
  - Humanities (English and Social Studies)
  - Math
  - Science
  - Physical and Health Education

Second of all . . .

- Electives
  - You get to choose **three** electives 😊
    - You will also be prompted to choose **two** alternate electives . . . just in case your first elective choices do not work with your timetable
  - Choose electives that give you a range of experiences and skills
    - Choose what interests you
    - Consider skills you can use throughout your lifetime (WW, Foods, Computers...)
    - Sample electives from different focus areas

Most of all . . .

- choose courses that suit you
- You will find the most success when your classes match:
  - who you are
  - where you are going and
  - what your learning needs are

Do your research . . .

- Talk it over with parents, older siblings, teachers . . .

If you are confused . . .

- Arrange to see your counsellor
