

Dover Bay Weight Room Sponsorship

Help us bring our weight room into the 21st century!!!

Our goal is \$30,000!!

Since 1992 Dover Bay has had a long history of success, lots has changed in our building in 30 YEARS...except our weight room!!

Why? Much of the equipment that is still in working order is *original to the building* and is in serious need of an upgrade! In consultation with gym supplier professionals and invested members of our school community (teachers, administration, coaches, athletes, and students), we have a plan for a top-notch facility that will help improve the experience and wellness of our students.

Who Benefits? Our entire Athletics program, every PHE student, several clubs, and staff all use this facility and deserve equipment that matches their determination and drive to succeed!

When? Our hope is to conclude our fund-raising efforts this semester, to order the new equipment for installation in second semester (if all goes well with supplier and district timelines).

How can you help? We are reaching out to our entire Dover Bay community for help in rejuvenating our weight room. Your generous donations would be the foundation of our legacy going forward.

All donors will be honoured and **forever recognized on a commemorative plaque** mounted on our new weight room walls.
