Course Requests for 2025-2026

January 28, 2025

Good Morning,

The Student Portal for 2025/2026 course selections will be opening **February 3rd – February 28th**. Selections are not first come first served. This is not a race, rather it is important that students take their time to thoughtfully discuss, review and enter their selections into MyEd.

To complete course selections, students **must know their MYED login and password** and are encouraged to discuss and review course options with their parents/guardians. It is essential that students make informed choices when completing their course selection. Prior to making course requests, you may want to review course handbooks, and the graduation planner found on our [school website](#).

For students with MyEd technical difficulties, please see Ms. Hart or Secretary Delfina in the office. If you have academic or course questions, please await the counsellor presentations which will be from **February 5th - February 19th**. The course selection presentation will involve viewing a short film on elective offerings, discussion of the grad program, and fielding any questions you may have.

Students can save and edit their selections until February 28th and again in April when it will re-open for a week for any final preference changes.

** To complete course selections, students **must know their MYED login and password**.
Students will receive help during class time and are welcome to come to the front office for assistance.*

Post-Secondary Applications

Grade 12 students who are planning on going to a post-secondary program next year should be completing their application process now. Some universities, like UBC, have an application deadline as early as the end of January. Others, like VIU, base your registration date on when you get your application in. Go to the university websites for more information.

Career and Technical Centre

Grade 11 students who are hoping to attend the CTC program in their grade 12 year should be getting their applications in now. Some of the CTC programs have become very popular and are filling up quickly. See your counselor for more information and see all the options [here](#). There are also seats in the Trades Sampler for Grade 10 students heading into Grade 11 next year.

VIU Dual Credit Program

Are you in grade 11? Are you an honor roll student? Would you like to start your university career early while earning credit toward graduation? If this sounds like you, then apply to become a [Dual Credit Enrichment Student](#)! Dual Credit enrichment is a partnership program with Vancouver Island University that allows you to take up to 4 courses in your grade 12 year and the district pays the tuition! Courses have been offered in Sociology, Psychology, Digital Media, Art, Creative Writing, Journalism, History, First Nations Studies, English and many additional subjects!

If students have any questions about their selections, please wait for the counsellor presentation. For questions regarding MyEd, please email dv-familyportalquestions@sd68.bc.ca; students may come to the office.
